Save Time, Save Money
Partnering with Tempstar Staffing is more than a short-term solution, it's a recruitment strategy.

Do More with Less
Temporary staffing provides the flexibility to add workers during peak periods without increasing fixed payroll costs.

- Reduce labor costs by eliminating overtime. Temporary employees can work the additional hours during peak times.
- Utilize key personnel more effectively. Allow your trained workers to concentrate on more critical projects by allowing temporary workers to handle non-core business functions.
- Respond to changing staffing needs without adding to direct hire head count and avoid layoffs during down times.

Temporary to Direct Hire and Everything In-Between
Tempstar Staffing Helps You Obtain the Right Mix

Settling for less than the perfect candidate is never an option with Tempstar Staffing. Whether you’re looking for temporary help or direct hire, Tempstar Staffing is an expert at recruiting top talent.

- Assess potential candidates before signing them on full time. Temp-to-hire allows companies to see how an employee can handle the job and interacts with one’s co-workers.
- Provide temporary help to prevent burnout during peak times. Fill short-term absences due to illness, vacation or maternity leave.
- Alleviate pressure to fill open positions. A temporary worker allows you to continue getting work done while you search for the perfect candidate.

Tempstar Staffing – Your Competitive Edge
To remain competitive, businesses need a dynamic workforce that can scale up or down to meet market demands, pending deadlines and special projects.

A flexible workforce allows you to adjust easily and quickly to workload fluctuations. Tempstar Staffing provides customized solutions to meet your company’s needs.

Tempstar Staffing works with a variety of industries, providing qualified staffing in the following areas:

- Administrative
- Accounting
- Clerical
- Technical Staffing
- Industrial
- Legal
- Light Industrial
- Professional
- Skilled Trades

- Eliminate time-consuming and costly searches. Tempstar Staffing will deliver qualified people, pre-screened, evaluated and tested.
- Reduce payroll administration. Payroll, withholding taxes, unemployment and workman’s compensation insurance are all handled by Tempstar Staffing.
- Ease compliance and year-end obligations. Tempstar Staffing ensures regulatory government compliance is met, including the processing compensation claims, W-2s and records retention.
